

Banks Entrance Garden

Joseph Banks was the first European botanist to document the New Zealand flora. Including a range of distinctive native species, this garden comprises one of the main entrances. It was designed to be attractive and draw people in.

<i>Acaena caesiiglauca</i>	<i>Clematis paniculata</i>	<i>Kunzea sinclairii</i>
<i>Acaena novae-zelandiae</i>	<i>Clematis petriei</i>	<i>Leptecophylla juniperina</i>
<i>Aciphylla squarrosa</i>	<i>Coprosma chathamica</i>	<i>Leptinella squalida</i>
<i>Agathis australis</i>	<i>Coprosma dumosa</i>	<i>Libertia peregrinans</i>
<i>Alseuosmia macrophylla</i>	<i>Coprosma propinqua</i>	<i>Lobelia angulata</i>
<i>Anisotome lyallii</i>	<i>Coprosma sp</i>	<i>Lophomyrtus obcordata</i>
<i>Argentina anserinoides</i>	<i>Coprosma virescens</i>	<i>Metrosideros parkinsonii</i>
<i>Arthropodium cirratum</i>	<i>Cordyline australis</i>	<i>Metrosideros perforata</i>
<i>Astelia chathamica</i>	<i>Cordyline sp x sp</i>	<i>Muehlenbeckia astonii</i>
<i>Astelia grandis</i>	<i>Corokia cotoneaster</i>	<i>Olearia albida</i>
<i>Astelia trinervia</i>	<i>Corokia cotoneaster aff.</i>	<i>Olearia x macrodonta</i>
<i>Austroderia toetoe</i>	'Surville'	<i>Pachystegia insignis</i>
<i>Brachyglottis greyi</i>	<i>Cyathea dealbata</i>	<i>Pachystegia rufa</i>
<i>Brachyglottis 'Leiths Gold'</i>	<i>Dianella nigra</i>	<i>Phormium tenax 'Raumoa'</i>
<i>Brachyglottis monroi var. monroi</i>	<i>Dracophyllum filifolium</i>	<i>Phormium tenax 'Urewera'</i>
<i>Carex punicea</i>	<i>Dracophyllum sinclairii</i>	<i>Phyllocladus</i>
<i>Carex testacea</i>	<i>Euphorbia glauca</i>	<i>trichomanoides</i>
<i>Carmichaelia muritai</i>	<i>Fuchsia excorticata x</i>	<i>Podocarpus nivalis x</i>
<i>Centella uniflora</i>	<i>Fuchsia procumbens</i>	<i>Podocarpus hallii</i>
<i>Clematis afoliata</i>	<i>Hebe evenosa x Hebe stricta</i>	<i>Polystichum neozelandicum</i>
<i>Clematis forsteri</i>	<i>Hebe 'Inverey'</i>	<i>Pseudopanax ferox</i>
	<i>Hebe 'Red Edge'</i>	<i>Pseudopanax laetus</i>

Banks Entrance Garden *continued* . .

Rubus schmidelioides var.

subpauperatus

Rumex neglectus

Scandia rosifolia

Veronica albicans

Veronica brachysiphon

Veronica decumbens

Veronica elliptica

Veronica evenosa

Veronica glaucophylla

Veronica macrocarpa

Veronica mooreae

Veronica odora

Veronica parviflora

Veronica rigidula var. *rigidula*

Veronica subalpina

Veronica topiaria

Veronica urvilleana
