

Grass and Sedge Garden

Featuring interesting grasses and sedges which are commonly found under the forest canopy, but also species that live on the coast and the alpine meadows of Aotearoa. This garden also features scoria rocks from Tongariro.

<i>Acaena profundeincisa</i>	<i>Corokia cotoneaster</i>	<i>Veronica amplexicaulis</i>
<i>Anthosachne solandri</i>	<i>Dracophyllum filifolium</i>	<i>forma hirta</i>
<i>Austroderia richardii</i>	<i>Dracophyllum politum</i>	<i>Veronica armstrongii</i>
<i>Blechnum penna-marina</i>	<i>Dracophyllum recurvum</i>	<i>Veronica elliptica</i>
<i>Carex albula</i>	<i>Festuca coxii</i>	<i>Veronica evenosa</i>
<i>Carex comans</i>	<i>Festuca novae-zelandiae</i>	<i>Veronica lanceolata</i>
<i>Carex dipsacea</i>	<i>Gahnia sp</i>	<i>Veronica odora</i>
<i>Carex flagellifera</i>	<i>Gahnia xanthocarpa</i>	<i>Veronica topiaria</i>
<i>Carex litorosa</i>	<i>Hebe 'Karo Golden Esk'</i>	<i>Veronica venustula</i>
<i>Carex punicea</i>	<i>Hierochloe novae-zelandiae</i>	
<i>Carex sectoides</i>	<i>Hierochloe redolens</i>	
<i>Carex sp</i>	<i>Leptecophylla juniperina</i>	
<i>Carmichaelia appressa</i>	<i>Leptinella calcarea</i>	
<i>Carmichaelia hollowayi</i>	<i>Melicytus alpinus aff.</i>	
<i>Carmichaelia monroi</i>	<i>'Waipapa'</i>	
<i>Chionochloa bromoides</i>	<i>Microlaena stipoides</i>	
<i>Chionochloa conspicua</i>	<i>Pimelea buxifolia</i>	
<i>Chionochloa flavicans</i>	<i>Pimelea tomentosa</i>	
<i>Chionochloa pallens</i>	<i>Poa cita</i>	
<i>Chionochloa rubra</i>	<i>Podocarpus nivalis</i>	
<i>Chionochloa rubra subsp.</i>	<i>Pseudopanax ferox</i>	
<i>cuprea</i>	<i>Veronica albicans</i>	
<i>Coprosma cheesemanii</i>
