

Ponga Grove

New Zealand has some of the world's largest tree ferns and on the other frond, the smallest. This collection of ponga includes perhaps New Zealand's most famous and iconic plant—the silver tree fern.

<i>Adiantum hispidulum</i>	<i>Dracophyllum traversii</i>
<i>Alseuosmia macrophylla</i>	<i>Elatostema rugosum</i>
<i>Arthropodium bifurcatum</i>	<i>Gunnera dentata</i>
<i>Asplenium sp</i>	<i>Jovellana sinclairii</i>
<i>Astelia hastata</i>	<i>Libertia grandiflora</i>
<i>Astelia solandri</i>	<i>Lobelia physaloides</i>
<i>Blechnum fluviatile</i>	<i>Metrosideros diffusa</i>
<i>Blechnum fraseri</i>	<i>Myrsine kermadecensis</i>
<i>Blechnum norfolkianum</i>	<i>Myrsine salicina</i>
<i>Blechnum zeelandicum</i>	<i>Olearia paniculata</i>
<i>Brachyglottis hectorii</i>	<i>Polystichum vestitum</i>
<i>Brachyglottis huntii</i>	<i>Prumnopitys taxifolia</i>
<i>Cyathea cunninghamii</i>	<i>Pteris macilenta</i>
<i>Cyathea dealbata</i>	<i>Pterophylla sylvicola</i>
<i>Cyathea kermadecensis</i>	<i>Quintinia serrata</i>
<i>Cyathea medullaris</i>	<i>Rhopalostylis baueri</i>
<i>Cyathea milnei</i>	<i>Veronica rivalis</i>
<i>Dacrydium cupressinum</i>	<i>Vitex lucens</i>
<i>Dicksonia fibrosa</i>	
<i>Dicksonia lanata</i>	
<i>Dicksonia squarrosa</i>	
<i>Dracophyllum filifolium</i>	
<i>Dracophyllum latifolium</i>
