

Conifer Garden

This collection includes the “Big 5” conifers found throughout Aotearoa: rimu, kahikatea, miro, mataī and tōtara. As well as kauri and these forest giants, there are several other conifers that live in the subalpine and alpine areas.

<i>Adiantum formosum</i>	<i>Libocedrus plumosa</i>	<i>Veronica subalpina</i>
<i>Agathis australis</i>	<i>Manoao colensoi</i>	<i>Veronica topiaria</i>
<i>Arthropodium cirratum</i>	<i>Melicope x mantelli</i>	
'White Knight'	<i>Olearia virgata</i>	
<i>Asplenium lamprophyllum</i>	<i>Phyllocladus alpinus</i>	
<i>Blechnum discolor</i>	<i>Poa anceps subsp. polyphylla</i>	
<i>Carex testacea</i>	<i>Podocarpus acutifolius</i>	
<i>Carmichaelia australis</i>	<i>Podocarpus laetus</i>	
<i>Coprosma intertexta</i>	<i>Podocarpus totara</i>	
<i>Coprosma pedicellata</i>	<i>Podocarpus totara var.</i>	
<i>Coprosma rugosa</i>	<i>waihoensis</i>	
<i>Coprosma sp</i>	<i>Polystichum vestitum</i>	
<i>Dacrycarpus dacrydioides</i>	<i>Prumnopitys ferruginea</i>	
<i>Dacrydium cupressinum</i>	<i>Prumnopitys taxifolia</i>	
<i>Dianella nigra</i>	<i>Pterophylla sylvicola</i>	
<i>Dicksonia fibrosa</i>	<i>Tecomanthe speciosa</i>	
<i>Dicksonia squarrosa</i>	<i>Teucrium parvifolium</i>	
<i>Dracophyllum sinclairii</i>	<i>Veronica albicans</i>	
<i>Earina aestivalis</i>	<i>Veronica brachysiphon</i>	
<i>Gahnia procera</i>	<i>Veronica cupressoides</i>	
<i>Halocarpus bidwillii</i>	<i>Veronica decumbens</i>	
<i>Kunzea linearis</i>	<i>Veronica parviflora</i>	
<i>Leptecophylla juniperina</i>	<i>Veronica strictissima</i>
